*The telephone numbers for the conference call are.
(416) 644-3418 /or/
(800) 814-4861*

A conference call replay will be available until midnight on Thursday March 15, 2007 (ET) by calling (416) 640-1917 or (877) 289-8525. Please enter the passcode 21216228# when instructed. A webcast replay will be available for 90 days by accessing a link through the Investor Information section at www.primaryenergyrecycling.com.

The second Annual General Meeting of unitholders of Primary Energy Recycling Corporation (TSX: PRI.UN) (“the Company”) will be held on April 27, 2007, at 10 am ET at the Toronto Stock Exchange in Toronto located at:

TSX Broadcast Centre
130 King Street West
Toronto ON
M5X 1J2

Following the formal portion of the annual meeting, John D. Prunkl, President of the Manager will discuss the performance of the Company to date. For those unable to attend in person, an audio replay of the meeting and presentation materials will be available on the Company’s website at www.primaryenergyrecycling.com.

Primary Energy Recycling Corporation owns a majority interest in Primary Energy Recycling Holdings LLC ("Primary Energy"). Primary Energy, headquartered in Oak Brook, Illinois, indirectly owns and operates four recycled energy projects and a 50% interest in a pulverized coal facility (collectively, the "Projects"). The Projects have a combined electrical generating capacity of 283 megawatts and a combined steam generating capacity of 1,851 Mlbs/hour. Primary Energy creates value for its customers by capturing and recycling waste energy from industrial processes and converting it into reliable and economical electricity and thermal energy for its customers' use.
