Primary Energy Recycling Corporation Announces November Cash Distribution

Oak Brook, Illinois, November 21, 2005 – Primary Energy Recycling Corporation (TSX: PRI.UN) announced today that a cash distribution of Cdn\$0.0917 per enhanced income security (“EIS”) of the Issuer will be payable on January 3, 2006 to holders of record of EISs at the close of business on November 30, 2005.

Each EIS consists of one common share of the Issuer (a “Common Share”) and Cdn\$2.50 principal amount of 11.75% subordinated notes of the Issuer (the “Subordinated Notes”). The EISs trade on the Toronto Stock Exchange under the symbol PRI.UN. The total distribution of Cdn\$0.0917 per EIS reflects a cash dividend of C\$0.0672 per Common Share and an interest payment of Cdn\$0.0245 per Cdn\$2.50 principal amount of Subordinated Notes for the period from November 1 to November 30, 2005.

The Issuer owns a majority interest in Primary Energy Recycling Holdings LLC (“Primary Energy”). Primary Energy, headquartered in Oak Brook, Illinois, indirectly owns and operates four recycled energy projects and a 50% interest in a pulverized coal facility (collectively, the “Projects”). The Projects have a combined electrical generating capacity of 283 megawatts and a combined steam generating capacity of 1,851 Mlbs/hour. Primary Energy creates value for its customers by capturing and recycling waste energy from industrial processes and converting it into reliable and economical electricity and thermal energy for its customers’ use.
